Fine Art **Service** Offering

With over 30 years of experience, we are globally accredited Fine Art Relocation specialists who provide logistic solutions that meet your unique requirements. Whether moving from a museum, gallery or private collection, Elliott ensures the safe and professional handling of high-profile exhibitions and valuable art collections both locally and internationally.

- **Our Fine Art Relocation Process**
  Our process begins with a pre-move survey to evaluate the specific needs of your artwork and propose a relocation plan. This includes recommendations for customised ISPM 15-certified solid crating, gallery-accredited wrapping and packing, customs documentation for International Relocation, storage, and insurance.

Why choose Elliott

- **Art Logistics Experts**
  Our team of experienced Fine Art specialists provides comprehensive support throughout the relocation process. From initial consultation to final installation, we manage every detail with professionalism and discretion.

- **ICEFAT Accreditation**
  Elliott is proud to be the only African member of the International Convention of Exhibition and Fine Art Transporters (ICEFAT) — a prestigious global network recognised for its rigorous standards in fine art logistics. As an ICEFAT member, we adhere to 181 international standards, ensuring that every artwork is handled, documented, and transported with the highest level of professionalism and in full compliance with local and international regulations.

- **Art Packing** & Transportation

  Our dedicated Fine Art Relocation service offers comprehensive solutions including premium state-of-the-art packing, transportation, secure storage, international shipping, and professional installation. Whether relocating to a private residence, gallery, or exhibition, your artwork is handled in accordance with global standards. Packing solutions are tailored to each artwork, from soft wrapping to museum-standard crates, for maximum protection.

- **Specialised** Art Storage

  Equipped with advanced and rigorous security protocols, we offer both short- and long-term storage for artworks, both in Johannesburg and Cape Town. Our storage system, paired with a comprehensive consignment inventory, ensures easy access to your art collection while minimising frequent handling.

- **Comprehensive** Insurance

  As an Authorised Financial Services Provider (FSP: 26423) underwritten by Hollard, Elliott offers in-house FAIS-accredited insurance expertise. We ensure that your artworks are fully protected at every stage of the move.

- **Real-time Tracking** of Fine Art

  We offer a premium tracking solution that enables us to place a specialised device inside the crate alongside the artwork. This device allows both our team and the customer to monitor the shipment through a secure online portal. Designed for high-value and delicate artwork, the service includes GPS tracking, shock detection, and climate monitoring, features that are rarely available in the Fine Art Relocation industry.
